

14th World Congress
of Gynecological Endocrinology
II Congresso ISGE Italia
Firenze 4-7 March 2010

AbstractTitle	FirstAuthor	OtherAuthors	Organization	Country
PCOS and Spontaneous Pregnancy Loss: Etiology, Diagnosis and Therapy	Albu Andreea Ruxandra	Dumitrascu M, Mardare C, Mihai D, Horhoianu I, Albu S, Horhoianu VV, Vartej P	Spitalul Universitar de Urgenta Bucuresti	Romania
Role of body weight and training profile in menstrual dysfunction of professional and non-professional classical ballet dancers	Bacchi Elisabetta	Zendrini G, Bonin C, Spiazzi G, De Cata AP, Moghetti P	Department of Biomedical and Surgical Sciences, University of Verona, Verona, Italy	Italy
Follow-up of hyperprolactinemic women with macroprolactinemia	Barmina Irina I	Dzeranova LK	Russian Research Centre for Endocrinology, Moscow, Russia	Russia
Sertoli-Leydig cell tumor - a rare androgen secreting ovarian tumor in postmenopausal women: case report and review of literature.	Benelli Elena	Rinaldi E, Del Ghianda S, Cionini R, Burelli A, Cela V, Caruso A, Vitti P, Pucci E	Department of Endocrinology, University of Pisa, Pisa, Italy	Italy
Heat-Killed Lactobacillus Rhamnosus GG Increases IL-4 and IL-10 and Reverses LPS-Induced TNF- α Release in Term Primary Trophoblast Cells.	Bloise Enrico	Torricelli M, Novembri R, Borges LE, Imperatore A, Reis FM, Petraglia F	University of Siena	Italy
Hormonal oral contraceptive alone or associated with metformin on cardiovascular risk markers in polycystic ovary syndrome women	Boldrini Frana Fernandes Janaína	Soares Wellington GM, de Paula Martins MF, Silva de Sá Rui A, Ferriani RM, dos Reis C, Sales V	Hospital das Clínicas da Universidade de São Paulo	Brasil
COMPARISON OF TWO DIAGNOSTIC MODELS FOR ASSESSMENT OF GESTATIONAL DIABETES MELLITUS	Boyadzhieva Mariya	Atanasova I, Tankova Tz	University Hospital of Endocrinology	Bulgaria
SCREENING FOR GESTATIONAL DIABETES MELLITUS IN BULGARIA - PRELIMINARY RESULTS	Boyadzhieva Mariya	Atanasova I, Tankova Tz, Dimitrova V, Markov D, Stoykova V, Todorova K, Kedikova S	University Hospital of Endocrinology	Bulgaria
IS THERE ANY ASSOCIATION BETWEEN MILD HYPERTENSION AND HOT FLASH EXPERIENCE AMONG WOMEN ?	Boz Neslihan	Gulerman C, Guray Y, Korkmaz S	Dr Zekai Tahir Burak Women Health Research and Education Hospital, Ankara, Turkey	TURKEY
FITOESTROGENS AND BREAST TIGHTNESS IN MENOPAUSE WOMEN ON HRT	Bulajic Emilija		Home of Health	Podgorica
A CASE OF PRIMARY HYPERPARATHYROIDISM IN PREGNANCY	Camilleri Agius Rodianne	Muscat Baron Y, Brincat M, Craus J, Attard A, Cachia M	Department of Obstetrics and Gynaecology, Mater Dei Hospital, Malta	Malta
The effect of Dexamethasone on the Pre-eclamptic Process - a brief reprieve up to Day 4 post-dexamethasone?	Camilleri Agius Rodianne	Muscat Baron Y, Brincat M	Department of Obstetrics and Gynaecology, Mater Dei Hospital, Malta	Malta
EFFECTS OF METOCLOPRAMIDE-INDUCED HYPERPROLACTINEMIA ON THE GENE EXPRESSION OF HYALURONAN SYNTHASES I, II AND III IN MOUSE UTERINE.	Carozi Cristofani Gabriela Carolina	Teixeira Gomes RC, Verna C, Malva Silva AI, dos Santos Simões R, Ferraz Carbonel AA, Bonciani Nader H, Soares Júnior JM	Federal University of São Paulo- UNIFESP	Brasil
Prevalence of HPV among Maltese women with abnormal Smear Tests	Cassar Olivia Anne	Spiteri D, Brincat M	Mater Dei Hospital Malta	United Kingdom

The effect of different treatment modalities in post menopausal women suffering from osteoporosis in the Maltese population.	Cini Custò Romina	Cini C, Felice N, Muscat Baron Y, Brincat M	Obstetrics & Gynaecology Dept, Mater Dei Hospital, Malta	Malta
MANAGEMENT OF INTERMENSTRUAL BLEEDING IN WOMEN WITH THE LEVONORGESTREL INTRAUTERINE SYSTEM	Craus Johann	Agius R, Muscat Baron Y	Department of Obstetrics and Gynaecology	Malta
PREDICTORS OF BIRTH WEIGHT IN BABIES OF WOMEN WITH GESTATIONAL DIABETES	De Cata Angela Pia	Bonin C, Bettinazzi F, Signori C, Forner S, Travagliati V, Bonora E, Bonadonna R, Moghetti P	Divisions of Endocrinology and Metabolic Diseases, University and Azienda Ospedaliera di Verona, Verona, Italy	ITALY
INSULIN RESISTANCE IN THE POLYCYSTIC OVARY SYNDROME:SUMMARY OF CURRENT THEORIES	DELIMPALTA CHRISTINA	ZAMPETAKI C	NATIONAL AND CAPODIASTREAN UNIVERSITY OF ATHENS MEDICAL SCHOOL	GREECE
Postmenopausal hyperandrogenism in a woman with adrenal gland incidentaloma	Di Sarra Daniela	Bonin C, Piazzola E, Tosi F, Moghetti P	Endocrinology and Metabolism	ITALY
GASTRO-INTESTINAL SYMPTOMS IN WOMEN DIAGNOSED WITH PELVIC ENDOMETRIOSIS	Dingli Maximilian	Muscat Baron Y, Agius R, Brincat M	Institution: Department of Obstetrics and Gynaecology, St. Luke's Hospital and Mater Dei Hospital	MALTA
Oct-4 expression in fetal cells recovered from the lower uterine pole	Dinopoulou Vasiliki	Stefanidis K, Makrinioti H, Mavromati D, Bletsas R, Loutradis D, Antsaklis A	1st Department of Obstetrics and Gynecology, Alexandra Hospital, University of Athens, Greece	GREECE
FSHR: polimorfismo in 307 e outcome in IVF	Dolfin Elisabetta	Guani B, Lussiana C, Restagno G, Mari C, Revelli A, Massobrio M	Centro di Medicina della Riproduzione , S. Anna, Torino	Italy
THE ROLE OF HUMAN NEUTROPHIL PEPTIDES 1-4 IN PATHOGENESIS OF MALE GENITAL TRACT INFLAMMATION	Dziadecki Wojciech	Radomska-Leśniewska M, Jankowska-Steifer E, Bablok L, Malejczyk J, Barcz E	Department of Obstetrics and Gynecology, Medical University of Warsaw	Poland
INTERVERTEBRAL DISC HEIGHT IN PREMENOPAUSAL WOMEN, TREATED AND UNTREATED POSTMENOPAUSAL WOMEN AND POSTMENOPAUSAL WOMEN WITH OSTEOPOROTIC VERTEBRAL FRACTURES	Felice Nicholas	Muscat Baron Y, Brincat M, Galea R, Calleja N	Department Of Obstetrics And Gynaecology, Mater Dei Hospital, Malta, Europe	MALTA, EUROPE
Serum 25-hydroxyvitamin levels in first trimester pregnant women living in a sunny Spanish region.	Fernández Alonso Ana Maria	Ferrando-Marco P, Dionis-Sánchez EC, Salmerón-González MD, Fernández-Alonso IM, Cuadros-López JL, Pérez-López FR	Torrecárdenas Hospital, Almería (Spain)	Spain
Administration of recombinant (r)hCG on the first day of the menses produces age independent rescue of the corpus luteum	Fettback Paula	Serafini P, Monteiro Rocha A, Leme Alves da Motta E, Homem de Mello Bianchi P, Messias Gomes C, Domingues T, Carrilho E, Chada Baracat E	Huntington Medicina Reprodutiva	Brazil
Nutritional status in oncological gynaecology. Which importance?	Franchi Valentina	Verrocchi F	Obstetrics and Gynaecological Clinic, San Salvatore University Hospital, L'Aquila, Italy	Teramo
The probiotic Lactobacillus rhamnosus, in the diet, increase fecundity in Danio rerio	Gioacchini Giorgia	Maradonna F, Bizzaro D, Carnevali O	Università Politecnica delle Marche	Italy
EFFECTIVENESS OF RALOXIFENE (SERMs) IN REDUCTION OF UTERINE LEIOMYOMAS GROWTH IN PREMENOPAUSAL WOMEN: OUR EXPERIENCE	Giuffrida Lorena	Rubbino G, Garofalo G, Tomaselli I, Placenti NC, Napoli C	Dipartimento di Scienze Ginecologiche e Scienze Microbiologiche Sezione di Ginecologia - Università degli Studi di Catania	Italy
The homocysteine levels in women of reproductive period with polycystic ovary syndrome	Grodnitskaya Elena E	Kurtser MA	Centre of Family Planning and Reproduction of the Moscow Public Health Department, Moscow, Russia	Russian Federation

Estrogen effects lesion composition and persistence in a syngeneic transplantation endometriosis mouse model	Harirchian Paymann	Kirchhoff D, Koch M, Zollner TM, Gashaw I	Bayer Schering Pharma	Germany
Similar presentation of sporadic and familial premature ovarian failure (POF)	Janse Femi	Knauff EAH, Niermeijer MF, Eijkemans MJ, Laven JSE, Lambalk CB, Fauser BCJM, Goverde AJ	Department of Reproductive Medicine and Gynecology, University Medical Center Utrecht, Utrecht, the Netherlands	The Netherlands
Fertility sparing in infertile women with endometrial cancer or complex atypical hyperplasia	Karimi Zarchi Mojgan	Mousavi A, Behtash N, Modares Gilani M, Ghaemmaghami F	,Assistant professor,Gynecology Oncology Fellowship,	Iran
Association of human progesterone receptor polymorphisms with the probability of pregnancy: a systematic review	Kechagioglou Kyriaki	Kolibianakis EM, Venetis CA, Chatzimeletiou K, Loutradi K, Tarlatzis BC	Unit for Human Reproduction, 1st Dept. of OB/Gyn, Medical School, Aristotle University, Papageorgiou General Hospital	Greece
Autosensibilization to the progesterone and syndrome loss of pregnancy	Klimov Vladimir		Lugans state medical uniyersity, Ukraine	Ukraine
Abnormality processes angiogenezise in pathogenesis of preeclampsia	Klimov Vladimir		Lugansk state medicale university, Ukraine	Ukraine
Effect of overweight and obesity on assisted reproductive technology outcomes	Koloda Yulia A	Podzolkova NM, Anshina MB, Shamugia NL, Smirnova AA, Abliaeva ES	Department of Obstetrics and Gynecology, Russian Medical Academy for Post-Graduate Education	Russian Federation
NEWEAR APPROACHES FOR THE TREATMENT OF UTERINE MYOMAS	Lapotka Marina		Belarussian State Medical University	Belarus
Polycystic ovary syndrome and benign breast disease: two aspects of the same dysmetabolic condition	Londero Ambrogio P	Bertozzi S, Bernardi S, Driul L, Marchesoni S	Azienda Ospedaliero-Universitaria di Udine, Clinica di Ginecologia ed Ostetricia	Italy
Chronic anemia and menstrual cycle abnormalities by nutritional behaviour disorders	Londero Ambrogio P	Bertozzi S, Fruscalzo A, Driul L, Marchesoni D	Azienda Ospedaliero-Universitaria di Udine, Clinica di Ginecologia ed Ostetricia	Italy
Clinical management of patients with positive excision margin after cervical conization	Malenkovic Goran	Rajovic J, Mandic A, Novakovic P, Zivaljevic M, Nincic D	Oncology Institute of Vojvodina	AP Vojvodina-Serbia
Endometrial pathologies associated with Tamoxifen in breast cancer patients with postmenopausal vaginal bleeding	Malenkovic Goran	Mandic A, Popovic M, Zikic D, Rajovic J, Tesic O	Oncology Institute of Vojvodina	AP Vojvodina-Serbia
EFFECTS OF METFORMIN ON MENSTRUAL IRREGULARITY AND PREGNANCY RATE IN LEAN AND OBESE WOMEN WITH POLYCYSTIC OVARY SYNDROME.	Maragno Lucia	Calienno C, Trio C, Marra C, Ferrari L, Mignini Renzini M, Milani R	Azienda Ospedaliera San Gerardo □Unità Operativa di Ginecologia	italy
Endometrial function during ART	Maragno Lucia	Coppola F, Patria G, Pezzuto AC, Benegiamo A, Ferrari B, Nardelli GB	Center for Reproductive Medicine, Department of Obstetrics & Gynecology and Neonatology, Parma University Hospital, Parma, Italy	italy
DOES THE PREVENTION OF CORPUS LUTEUM RESCUE CAUSED BY ADMINISTRATION OF HCG AT EARLY FOLLICULAR PHASE IMPROVE IVF OUTCOME?	Messias Gomes Cláudia	Serafini P, Monteiro Rocha A, Leme Alves da Motta E, Yadid I, Coslovsky M, Fettback P, Domingues T, Homem de Mello Bianchi P, Carrilho E, Chada Baracat E	huntington Medicina Reprodutiva and Disciplina de Ginecologia, Universidade de São Paulo, São paulo, Brazil	Brazil

Female sexual dysfunction in Iranin postmenopausal women	Moghasemi Sedigheh	Ziaei S, Haidari Z	gorgan medical university	Iran
Our experiences with the TRH-testing in infertile patients	Muhaxhiri Fatos	Kotori A, Hoxha M, Muhaxhiri A	Medical Institute □FATI IM□ Prishtina □ Kosova	Republic of Kosova
Classic Congenital Adrenal Hyperplasia: from birth to adult life.	Myriokefalitaki Evangelia	Iavazzo C, Ntziora F, Bozemberg T, Paschalinosopoulos D	Vougiouklakeion Hospital, Athens, Greece	GREECE
Effect of Estradiol and Progesterone on Urocortins mRNA Expression in Cultured Endometrial Stromal Cells.	Novembri Romina	Bloise E, Aiello AC, De Pascalis F, Florio P, Petraglia F	University of siena	Italy
Successful medical management of an intramural ectopic pregnancy	Ong Aihui Clara	Lin SL, Chia D, Choolani M, Biswas A	Department of Obstetrics and Gynaecology, National University Hospital, Singapore	SINGAPORE
FERTILITY PRESERVATION IN PATIENTS WITH CANCER	Ortiz Murillo Ester	Cañete P, Crespo J, Cano A, Pellicer A, Sanchez M	Hospital Dr Peset (valencia)	Spain
The first mPCR for detection of U. urealyticum, M. hominis and M. genitalium in sexually active women in Sofia, Bulgaria	Ouzounova Vessela	Ouzounova I, Mitov I	Department of Microbiology, Medical University of Sofia, Bulgaria	Bulgaria
Physical exercise and psychological variables related to health in menopausal women.	Pérez-Fortis Adriana	Godoy-Izquierdo D, Vélez M, Mendoza N, Salamanca A, de Teresa C, Godoy JF	University of Granada	Spain
HYPERANDROGENISM (HA) AND METABOLIC SYNDROME (MS) IN MALE TRANSSEXUALS (FMT) PATIENTS	Perez-Lopez Giliberto B	Becerra-Fernandez A, Rodriguez-Molina JM, Asenjo- Araque N, Lucio-Perez MJ	Hospital Ramon y Cajal. Madrid, Spain.	Spain
PSYCHOPATHOLOGY DURING PREGNANCY AND POSTPARTUM: THE IMPORTANCE OF PRENATAL SCREENING	Petrilli Greta	Blom JMC	MELLONI, FATEBENEFRAPELLI HOSPITAL- DEPARTMENT OF PEDIATRICS, UNIVERSITY OF MODENA AND REGGIO EMILIA	italy
CHILDBEARING WOMEN AFFECTED BY PSYCHOPATHOLOGY: RESULTS FROM A SELECTED-HIGH RISK SAMPLE	Petrilli Greta	Rizzi G, Anniverno R, Mencacci C, Blom JMC	MELLONI, FATEBENEFRAPELLI HOSPITAL- ^DEPARTMENT OF NEUROSCIENCE, FATEBENEFRAPELLI HOSPITAL, MILAN-°DEPARTMENT OF	ITALY
LAPAROSCOPIC TREATMENT OF ENDOMETRIOSIS AND FECUNDITY	Ramos Rivas Yessenia VS	Pachero Romero J	HOSPITAL III ESSALUD IQUITOS PERU	PERU
Acute GnRH-analogue administration does not influence AMH secretion in PCOS patients	Ritunnano Rosa	Cosma C, Zuliani L, Glinski L, Azzolini S, Blevé L, Granzotto M, Maffei P, Faggian D, Sicolo N, Vettor R, Mioni R	Dep. Scienze Mediche e Chirurgiche-Clinica Medica 3, Università-Ospedale di Padova, Padova, Italia	ITALIA
Breastfeeding and Basal Insulin Requirement in Type 1 Diabetic Women	Riviello Chiara	Mello G, Jovanovic L	Department of Gynaecology, Perinatology and Human Reproduction, University of Florence	Italia
Relationship between Lipid profile, insulin-resistance and BMI in PCOS patients	Ros Cerro Cristina	Steinvarcel Valerga F, Castelo-Branco C	ICGON. Hospital Clínic i Provincial de Barcelona	Spain
Menstrual Cycle Disorders and Hormonal Alterations in Women with Vascular Liver Disease	Rousset-Jablonski Christine	Plessier A, Lahlou N, Laromiguière M, Pichard C, Larger E, Gompel A	Université Paris Descartes, Assistance Publique Hôpitaux de Paris	France
Use of LH supplementation in IVF cycle	Rubbino Gabriella	Iemmola A, Gulino FA, Giuffrida E, Leonardi E, Lenzi L, Iozza I, Ciotta L, Palumbo MA	Dip. Sc. Microbiologiche e Sc ginecologiche Università degli Studi di Catania	Mascali

Hypogonadotropic hypogonadism and ovulation induction: Case Report	Rubbino Gabriella	Iemmola A, Giuffrida L, Iozza I, Ciotta L, Palumbo MA	Dip. Sc. Microbiologiche e Sc. Ginecologiche Università Degli Studi di Catania	Italy
Short-term follow-up of voluntary abortion in an Italian centre: a prospective analysis of 186 cases.	Salvador Stefania	Londero AP, D'Aiotti V, Driul L, Fruscalzo A, Bertozzi S, Marchesoni D	Department of Surgical Sciences, University of Udine, Italy	Italy
Transdermal Hormone Replacement Therapy: the cardiovascular and breast cancer risk	Salvagno Francesca	Pertusio A, Gallo M, Massobrio M	Azienda Ospedaliera O.I.R.M. - S.ANNA, Torino	Italy
Metformin effect in PCOS patients is not dose dependent	Sanna Stefania	Angioni S, Melis GB, Fulghesu AM	Department of Obstetrics and Gynecology, University of Cagliari, Cagliari, Italy	Italy
RECURRENT PREGNANCY LOSS (RPL) IN WOMEN WITH NONAUTOIMMUNE (NATD) AND AUTOIMMUNE THYROID DISEASES (ATD)	Santaguida Maria Giulia	Del Duca S, Virili C, Gargano L, Centanni M	Endocrinology Unit, Sapienza University of Rome- Polo Pontino, Latina, Italy	Italy
Identification and validation of molecular markers of human oocyte biological quality after vitrification	Santonocito Manuela	Guglielmino MR, Vento M, Borzi P, Ragusa M, Barbagallo D, De Palma A, Garofalo MR, Minutolo E, Scollo P, Purrello M, Di Pietro C	Dipartimento di Scienze Biomediche, Università degli studi di Catania	Italia
ROS levels and DNA damage - association with poor sperm quality and Medically Assisted Procreation failure.	Shamsi Monis Bilal	Venkatesh S, Kumar K, Talwar P, Kumar R, Mittal S, Dada R	All India Institute of Medical Sciences.	India
Role of genetic factors and oxidative stress in recurrent pregnancy loss.	Shamsi Monis Bilal	Venkatesh S, Kumar K, Talwar P, Kumar R, Mittal S, Dada R	All India Institute of Medical Sciences.	INDIA
METABOLIC FEATURES AND UTERINE ARTERY COLOR DOPPLER ANALYSIS IN POLYCYSTIC OVARY SYNDROME (PCOS) AND CONTROL WOMEN	Signori Chiara	Bonin C, Di Sarra D, Bettinazzi F, Forner S, Moghetti P	Department of Obstetrics and Gynecology, Ospedale Civile Maggiore, Verona	Italy
A POBLATIONAL STUDY OF MENOPAUSE AND QUALITY OF LIFE	Sisó Raber Christian	Castelo Branco C	HOSPITAL CLINIC BARCELONA	SPAIN
Decrease of ovarian function in infertile clinic patients	Sobek jr Ales	Tkadlec E, Hladikova B, Sobek A	Fertimed, infertility centre	Czech Republic
AMH AS A MARKER OF OVARIAN ACTIVITY IN MULTIFOLLICULAR OVARIES	Spettu Federica	Daga A, Orrù A, Melis GB, Fulghesu AM	Università degli studi di Cagliari	Italia
Second trimester Uterine Artery Doppler evaluation as predictor of hypertensive disorders in late pregnancy	Stoykova Veneta	Markov D, Karagjozova J, Ivanov S	Maternity Hospital	Bulgaria
In vitro assays for assessing anti-inflammatory effects of chlormadinone acetate in dysmenorrhoea	Stuckenschneider Johanna	Fischer L, Schaefer WR, Deppert WR, Seebacher L, Hanjalic-Beck A, Zahradnik HP	University of Freiburg, Dept. of Obstetrics & Gynecology	Germany
DIAGNOSTIC MARKERS OF ENDOMETRIAL HYPERPLASIA AND CANCER	Tikhonovskaya Irina V	Kuznetsova I, Nemtsova M	Moscow Medical Academy named by Sechenov, Moscow, Russia	Russian Federation
Risk of spontaneous miscarriage in euthyroid women with thyroid autoimmunity undergoing in-vitro fertilization: a systematic review and a meta-analysis	Toulis Konstantinos	Dimitrios G, Goulis Christos A, Venetis Efstratios M, Kolibianakis V, Harizopoulou RN, Tarlatzis BC, Papadimas I	Aristotle University of Thessaloniki	Greece
The endometrial hCG/LH receptor: quantification throughout the menstrual cycle	Tsampalas Marie	Berndt S, Gridelet V, Hagelstein MT, Charlet-Renard C, Munaut C, Foidart JM, Geenen V, Perrier d'Hauterive S	University of Liege, Center of Immunology (CIL)	Belgium

Endocrinological, metabolic and clinic features of a six cycle treatment with estroprogestin oral contraceptive monophasic formulation (OC) containing 30 mcg of ethinylestradiol (EE) plus 2 mg of chlormadinone acetate (CMA) in non obese women	Uras Roberto	Orrù M, Molin Pradel NA, Marotto MF, Pilloni M, Guerriero S, Etzi R, Zedda P, Sorge R, Lello S, Melis GB, Paoletti AM	Department of Obstetrics and Gynaecology, University of Cagliari, Italy	Italy
Menopause and malignancies	Varisco Enrica Maria	Livello L, Stomati M, Pellegrino A	gynecologist	Italia
Addition of rLH in patients undergoing ovarian stimulation with rFSH and GnRH analogues for IVF: a meta-analysis	Venetis Christos A	Kolibianakis EM, Toulis KA, Goulis DG, Papadimas I, Tarlatzis BC	Medical School, Aristotle Univeristy of Thessaloniki, Greece	Greece
Treatment of urinary stress incontinence during or following correction of pelvic organ prolapse	Venturella Roberta	Oppedisano R, Rocca M, Materazzo C, Zullo F, Palomba S	Cattedra di Ostetricia e Ginecologia, Università Magna Graecia di Catanzaro	Italy
Immunohistochemical study of prolactin in lacrimal gland of female mice with hyperprolactinemia induced by metoclopramide during proestrous	Verna Carina	Teixeira Gomes RC, Bastos Wolff R, Soares Júnior JM, de Jesus Simões M, dos Santos Simões R, Chada Baracat E	São Paulo Federal University	Brazil
The outcomes of pregnancy in different ways of conception in the infertility women.	Vishnevskaya Mariya	Vasileva L	Belarusian State Medical University	Belarus
EXPERIENCE ON THE TREATMENT OF ADVANCED OVARIAN CANCER	Zambrano Belkys	Diaz L, Santos M, Omaña D	University of Los Andes. Venezuela.	Venezuela.
PATHOGENETIC ASPECTS OF HYPOGONADOTROPIC HYPOGONADISM IN WOMEN OF REPRODUCTIVE AGE	Zektser Vita	Ilovayskaya IA, Keda UM, Zakharova EY, Pankov UA, Melnichenko GA, Dedov II	Moscow Medical Academy named by Sechenov, Moscow, Russia	Russia
